

Let's stay connected!!

Our Leadership Team and RN will be making contacts to individuals and families, and may set up some telehealth 'face to face' meetings so that we can see you and you can see us! We want to ensure our communications with you are private, effective, and confidential. There are many platforms out there to stay connected, and at this time DPI has chosen **Zoom** because it's FREE and EASY to use! We are all learning this platform together, so we will be patient together as we figure out how all this works.

Here's what you need to get started:

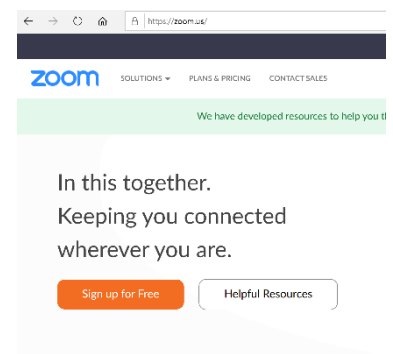

- Computer or Smartphone
- Internet connection
- Video camera, either built into your device or a separate webcam (most modern computers, smartphones and tablets have this built in)
- Microphone, either built into your device or in the webcam (most modern computers, smartphones and tablets have this built in), or a phone
- Email address that we can send the Zoom Invite to.
 - If you are not sure if DPI has your current email address, please send an email to Rebecca, Executive Director, at rcase@developingpotential.org with the email address and name of the individual and we will be sure to add this to our contact information!

There are TWO easy ways to use ZOOM:

Simply click on the link that is emailed to you from a DPI staff member to join the Zoom meeting at the time indicated. If you choose this option, NO NEED TO DO ANYTHING ELSE!	OR	Go ahead and download Zoom onto your computer or smartphone, so you are ready to go when it's time for our Zoom meeting. See instructions below.
---	-----------	--

Instructions to sign up for ZOOM:

1. Visit <https://zoom.us/> and click the orange button that says 'Sign up for free'.
 - a. NOTE: You do NOT need to purchase anything...just create an account. There are versions you can choose to pay for, but the free version is completely sufficient!
2. To Sign Up, you will enter your name and a password. You'll need to remember this password, so be sure to write it down!
3. When we set up a time to talk through ZOOM, a DPI staff member will send you an email with the 'invite' to the meeting. Simply click on that meeting invite, sign into Zoom, and there you go!

To set up these meetings, a member of DPI's team will be reaching out to you, but if you would like to get a telehealth 'face to face' set up and have not heard from someone on our DPI team, please email Rebecca at rcase@developingpotential.org and we will get one set up for you!

Stay safe, Smile, and we look forward to CONNECTING with you!!
